

Be free from all expectations.

Follow your heart, it knows what to do.

Savor each moment because in a flash, it will become part of the past.

Embrace the journey.

Elevate Human Kind(ness)!

Honor your inner self.

The sky is not the limit. There is no limit to what you can do.

Peace comes from within.

Love yourself so you can love others.

Be, Do, Have.

The expression on your face is a mirror of your mind.

Do what you love!

Create your life!

Be who you want to be.

Be still and listen.

Passion = Living.

Simplify your life. Get to your core and throw away things that are no longer useful.

Smiling elevates your soul.

Tomorrow never comes. There is only today.

Settling = selling out.
